ORDER:

In the reference 2nd read above, the Chief Engineer, Minor Irrigation(T) has submitted proposals for issue of No Objection Certificate in respect of M/s. NATL Power Limited for establishing Mini Hydel Scheme of Capacity 2x1.0 MW on Vemuluru Vagu D/s of Chennayapalem (V), Mattampally(M) of Nalgonda District, along with the recommendations of the Standing Committee, duly mentioning certain conditions therein, in addition to the General and Technical Conditions issued vide reference 3rd read above.

2. Government after careful examination of the proposal of C.E., Minor Irrigation(T) and based on the recommendations of the Standing Committee, hereby issue “No Objection Certificate” to M/s. NATL Power Limited for establishing Mini Hydel Scheme of Capacity 2x1.0 MW on Vemuluru Vagu D/s of Chennayapalem(V), Mattampally(M) of Nalgonda District, subject to the following conditions in addition to the General and Technical Conditions already issued vide Para-5 in G.O.Ms.No.165, I&CAD(PW:Reforms) Department, dated:11.07.2007:-

1. The availability of water considered for the Project, for the specified period in the system is not the responsibility of the I&CAD department.
2. Design of Diversion weir for the required MFD along with the scour sluices for allowing Lean flows, and the diversion channel designed for a rated discharge of 45 cumecs also, shall be approved by the Chief Engineer, C.D.O.
3. During the lean flows, the irrigation requirements get priority and generation shall be stopped.
4. For lower riparian rights, necessary sluices shall be proposed in the weir and got approved along with design of weir.
5. The agency has to obtain the consent of land owners whose land is coming under acquisition before commencement of work.
6. The Environmental and Forest Clearances shall be obtained from the competent authority duly following the procedures in vogue. The clearances shall be obtained and submitted to the concerned Superintending Engineer, I&CAD Department well before grounding the Scheme.

P.T.O.

:: 2 ::

7. Any objection arises out of final publication of KWDT-2 award is the responsibility of the promoting agency.
 8. The inflow data considered for the subject Mini Hydel Scheme is the responsibility of the promoting agency and the Government/ Department has nothing to do with it.
 9. The financial viability is sole responsibility of the promoting agency only, as it does not come under the purview of the committee.
 10. Developers shall be encouraged to bring latest technology and maximise output, subject to the Hydrological factors and environmental flow factors.
 11. The Chief Engineer, Central Designs Organization shall ensure that the approval for the designs is given in (15) days time, failing which the developer will be permitted to go ahead for execution as deemed approval.
 12. The royalty charges on water as applicable would be realized by the I&CAD on monthly basis.
 13. No claims or damages shall lie with the Government for the cancellation/suspension of N.O.C. for the reasons of River conservancy/flood management etc.
 14. The Developer has to commence the work within (6) months from the date of issue of N.O.C. and complete the Scheme within two years of N.O.C., failing which N.O.C., will be cancelled automatically.
3. The Engineer-in-Chief (Irrigation), Hyderabad shall take necessary action accordingly.
